Mobile case solutions

Hard shell cases for notebooks + printers

Professionally equipped,
mobile and always ready.

„Hulshof inside“ –utility cases with custom-fit internals made from lightweight aluminium. Safely carry your notebook and mobile printer and connect them straight from the case. Not only can you conserve space while securely transporting your devices, but they are also ready to use at a moment's notice. This protects your equipment, guaranteeing a longer service life – a mark of quality that pays off.
